:(...R.I.P Kev Sorensen!!

My family and I would like to extend our sympathies to all who knew, loved and respected Kev Sorenson. He was such an inspirational and motivational man, who i was so fortunate to have had guiding me throughout my high school years and after. I respected him as a deputy principal and leader of the school then, and was lucky enough to call him a dear friend when I finished school, as i know so many of us did. He will be sadly missed by everyone. My heart goes out to his family, wife Noela and daughter Ingrid!

R.I.P Kev Sorensen.

love jack.
